## **QUOTE OF THE DAY**

"When you're through changing, you're through." – Bruce Barton

"An artist's only concern is to shoot for some kind of perfection, and on his own terms, not anyone else's." – J. D. Salinger

"There is a kind of invisible thread between the actor and the audience, and when it's there it's stunning, and there is nothing to match that." – Maggie Smith

"In a world populated by people who believe that through more and more information, paradise is attainable, the computer scientist is king. But I maintain that all of this is a monumental and dangerous waste of human talent and energy. Imagine what might be accomplished if this talent and energy were turned to philosophy, to theology, to the arts, to imaginative literature or to education? Who knows what we could learn from such people — perhaps why there are wars, and hunger, and homelessness and mental illness and anger." – Neil Postman

"The more I think about it, the more I realize there is nothing more artistic than to love others." – Vincent Van Gogh

"I write to discover what I think. After all, the bars aren't open that early." – Daniel J. Boorstin
